

Dignity Kids Program

Dignity Kids Program supports families with young children by addressing a critical gap: lack of essential items needed to care for babies and children. While parents are working toward stability in other areas, financial limitations often leave them without access to the essential items every child needs and deserves. We help meet this need by offering a personalized shopping experience offering parents the opportunity to select essential children's items, restoring a sense of dignity, confidence, and care as they nurture and provide for their family.

Through Dignity Kids Program, parents have been able to select essential items including:

- Crib
- Car Seat
- High Chair
- Diapers and Wipes
- Bottles and Feeding Supplies
- Baby Monitors
- Stroller
- Baby Gates

Referrals from trusted community partners like yours allow us to walk alongside families as they care for their children during seasons of transition. With your help, we've supported:

- A young family preparing for their newborn while settling into stable housing after experiencing homelessness
- A mother and her three children starting fresh after leaving a domestic violence shelter
- A grandmother creating a safe and nurturing space for her two grandchildren after living in temporary housing

Kindness and compassion in every interaction

How We Do This

1. Submit a Referral

- Contact Dignity Foundation at 602-848-2422 or visit dignityfoundation.org to submit a referral form.

2. Personalized Shopping Trip

- We provide personalized, carefully curated, one-on-one shopping experiences for clients transitioning to a stable living environment.
- Dignity Foundation will contact each client to set up a personalized shopping trip, typically at Wal-Mart or Target, with a Foundation staff member.
- We provide for clients to choose identified essential household items.

3. Transportation Assistance

- Dignity Foundation offers transportation for each client to and from the store along with all purchased items.

4. Follow-Up Support

- We will send a follow-up email letting you know the trip has been completed and a summary of the shopping trip.

We look forward to your referrals and partnering with you as we work together to serve others!
